

Product Data Sheet

Aria™ Cornice

Featuring a slimline profile with a subtle centre deflection design, Gyprock Aria echoes contemporary architecture at its best. This 75mm cornice delivers a simple, yet striking presence for contemporary style homes.

Product Overview

While cornice effectively bridges the junctions between walls and ceilings, its purpose extends beyond function, providing the perfect finishing touch to the aesthetic harmony of a home.

The smooth, streamlined profile of Aria is perfect for spaces that define contemporary elegance. Balanced with other interior design features such as architraves, skirting and even door hardware, Aria cornice can help make a subtle style statement in a home.

For a more dramatic impact in hallways, living and entertainment rooms, Gyprock Alto is the ideal complementary cornice choice.

Typical Applications

Aria's linear geometry and smooth surface make it the perfect choice for contemporary living spaces. While the slim profile creates a subtle elegance.

Width	75mm
Length	4800mm

Stockholdings may vary. For product availability and to place an order, contact your nearest supplier.

Product Manufacture

Aria Cornice is manufactured by CSR Gyprock in Australia to stringent product specifications.

Product Handling

Transportation and manual handling: Refer to the Gypsum Board Manufacturers of Australia (GBMA) website for recommended OH&S practices.

Storage: Protect plasterboard and cornice from weather and moisture. Avoid products sagging by storing horizontally, supported on a level platform or full-width support members spaced at max. 600mm centres.

Health and Safety

Safety Data Sheets are important documents in the construction industry and assist in the continuing focus on occupational health and safety on and off sites.

Installation Instructions

Installing to Standards

AS/NZS2589: Gypsum linings – Application and Finishing outlines the procedures for the installation and finishing of Gyprock cornice in conjunction with additional details contained in Gyprock Technical Literature.

Manufactured for Life

Gyprock products are manufactured for life with all CSR products designed to achieve optimal performance when part of a CSR integrated system.
